

Imagination Station Teen Volunteer Program

Program Description Volunteering is a great way to learn new skills, make new friends, build up your resume and make a big difference in your community. If you are between the ages of 14 - 17, volunteering with Imagination Station is a great way to accomplish all four!

Imagination Station Teen Volunteers will:

- Learn exciting science
- Form vibrant new friendships
- Build job skills
- Establish references for education and employment
- Make a difference in their community
- Gain a behind-the-scenes perspective of the science center
- Receive discounts in our retail store and café

Requirements:

- At least 5 hours of volunteer time per month for a minimum of 6 months
- Must be between the ages of 14 – 17
- Fill out the appropriate application and go through an interview process, including a drug screen

Teen Volunteer Opportunities:

- Floor Team Support
 - Assist with exhibits, Learning Worlds, science activities, birthday parties and general floor support
 - Little KIDSPACE Activities
 - Facilitate interactive, hands on activities for our littlest scientists in Little KIDSPACE.
 - Science Cart Activities
 - Put the science in motion and bring demonstrations directly to our guests on traveling carts.
 - Exhibit Demonstrations
 - Interact with guests while explaining the science behind your favorite learning world or exhibit.

Interested in volunteering but don't know anything about science? That's ok, you will be trained on all activities by our Extreme Scientists.

If you are interested in volunteering, or would like more information, please visit imaginationstationtoledo.org or call 419-244-2674 ext 181.
