## Imagination Station to Reopen Thursday Following Routine Closure

*There's still plenty of time to explore, tinker and build in September!*

TOLEDO, Ohio – Following a brief closure for routine maintenance and updates, Toledo's Science Center will resume regular operating hours at 10am Thursday, September 19.

Upcoming events and activities:

### **Tinkering Space: Electro Dough**

**September 19 – 30**

Tinkerers will become an electrician and inventor as they learn about conductors and insulators as they create electrical circuits to make their dough sculptures light up. *Included with admission.*

### **\$5 After 5pm**

**Thursday, September 19, 5 – 8pm**

Imagination Station visitors can experience hundreds of hands-on exhibits for just \$5 admission each from 5-8pm. It's a great way to squeeze some science fun into busy schedules at a special admission price! *\$5 After 5pm is offered the third Thursday of each month through December.*

### **Art Loop: Dancin' in the Streets**

**Thursday, September 19, 5 – 8pm**

Design a creature to bring to life! Art Loopers will use a motor to get a critter creation moving, then teach it to dance and doodle, slide and shake in a way that's all its own. Belnstrumental will join in on the fun with an instrument petting zoo. Try to tap out a rhythm or toot a tune on one of their instruments.

*Art Loop activities are free and science center admission is not required.*

### **Toledo Mini Maker Faire**

**Saturday, September 21, 12 – 6pm**

The Toledo Mini Maker Faire is a free festival of invention, creativity and imagination for people of all ages. The Toledo Mini Maker Faire is part of Momentum, a weekend celebrating music, glass art and making in downtown Toledo. For more information about the Toledo Mini Maker Faire, please visit [toledo.makerfaire.com](http://toledo.makerfaire.com). *Toledo Mini Maker Faire activities are free and Imagination Station admission is not required.*

Imagination Station provides a critical layer of science enrichment by serving as an educational partner for teachers, schools and parents. It's with a thoughtful blend of exhibits, experiences, education and excitement that Imagination Station inspires visitors to pursue STEM careers in Northwest Ohio. For more information, please call 419.244.2674 or visit [imaginationstationtoledo.org](http://imaginationstationtoledo.org).
