

VOLUNTEER OPPORTUNITY

Exhibit Support

This position reports to the Exhibits Manager and will work closely with Exhibit Technicians as an active assistant who performs repairs, cleaning, installations, de-installations and general maintenance of science center exhibits and related structures, fixtures and/or projects.

Responsibilities:

- Perform installations, de-installations, repairs, cleaning and general electromechanical exhibit maintenance
- Assist with opening and closing procedures and maintaining the facility throughout the day, including physical cleanup
- Perform inspections of exhibits to identify needed repairs and general maintenance
- Using established safety techniques, continuously assess safety conditions to ensure workplace safety

Requirements:

- Twice a month minimum availability (10 hours a month)
- Minimum of a 6 month commitment
- Proficient with hand tools and power tools
- Basic plumbing and electrical skills
- Ability to sustain continuous physical and mental exertion
- Ability to repetitively bend, stoops, reach, climb, stretch and lift up to 40 pounds
- Be able to pass a background check and drug test

Benefits:

- A sense of community and friendship
- A sense of satisfaction that you did something to make a difference in the community
- An exclusive behind-the-scenes look at how Imagination Station runs, and an insider's view of what's coming
- An annual Volunteer Team Member recognition event that honors all Volunteer Staff
- An Imagination Station membership after 50 hours of service
- Committed volunteers receive an Imagination Station T-shirt, name tag, team manual and welcome packet

Applications available online at imaginationstationtoledo.org. For more information please contact the Volunteer Coordinator at volunteer@istscience.org.

Funded with Support from a Toledo Community Foundation Community Funds Grant.
