Imagination Station's \$5 After 5pm Returns Thursday

TOLEDO, Ohio – Take a break from the hustle and bustle of the holiday season and spend an evening together at Toledo's Science Center. Imagination Station is open late this Thursday, December 19 and all visitors will receive special \$5 admission pricing from 5 – 8pm.

Thanks to visitor feedback regarding this exciting new promotion, Imagination Station will continue its \$5 After 5pm admission special every third Thursday of the month in 2020.

The science center is also a stop on the Art Loop! The theme of the last Art Loop of 2019 is *Light Up Toledo* and the science center is lighting things up with circuit blocks! Stop by to learn about the flow of electricity as you create circuits to power LED lights.

Art Loop is presented by the Toledo Arts Commission. Admission to the science center is not required to enjoy Art Loop activities.

Imagination Station provides a critical layer of science enrichment by serving as an educational partner for teachers, schools and parents. It's with a thoughtful blend of exhibits, experiences, education and excitement that Imagination Station inspires visitors to pursue STEM careers in Northwest Ohio.

For more information, please call 419.244.2674 or visit imaginationstationtoledo.org.
