Hey Batter! Swing into Imagination Station for Home Run Weekend

TOLEDO, Ohio – This Memorial Day weekend, celebrate America’s Favorite Pastime with Imagination Station. Home Run Weekend is Saturday – Monday, May 25 – 27.

Baseball fans of all ages are invited to swing into the science center to test their throwing speed in the pitching cage and tap out a tune on a xylophone made out of baseball bats. The first 100 kids to visit the science center each day will receive a free Imagination Station baseball.

Muddy and Muddonna will be on hand to meet with visitors from 1 – 3pm on Saturday, May 25.

“We want to inspire people to think about how Science, Technology, Engineering and Math are all around us – even in the sports we love,” said Kate Pixler, Director of Communications at Imagination Station. “There’s physics in finding the sweet spot of the bat, technology throughout the stadium, engineering in the design of helmets and other equipment, and statistics in player performance...the list goes, on and on.”

Home Run Weekend activities are included in science center admission. All Lucas County residents receive a \$2 discount and FREE Saturday admission for kids, 12 and under with paid adult admission, limit two children per adult. For more information, please call 419.244.2674 or visit www.imaginationstationtoledo.org.

Imagination Station provides a critical layer of science enrichment by serving as an educational partner for teachers, schools and parents. It’s with a thoughtful blend of exhibits, experiences, education and excitement that Imagination Station inspires visitors to pursue STEM careers in Northwest Ohio.
