Rewind to the 80's with Toledo's Science Center

TOLEDO, Ohio – – NO DUH! Imagination Station is the place for hands-on science fun, and March 26 - 31 pop culture and science will collide in one totally radical week! Go on a most excellent adventure like Bill and Ted, travel back in time like Doc and Marty and *Rewind to the 80's* to celebrate the decade that delivered personal computing, the space shuttle and ectoplasm.

During *Rewind to the 80's*, visitors born in the 1980's, or those who dress in the decade's gnarliest styles will receive free admission to the science center's temporary exhibit, *Popnology: From Sci-Fi to Wi-Fi*.

Popnology allows visitors to step back in time to see how today's technologies were inspired by the books, movies, and television shows of yesterday. This fusion of science fiction and science fact invites visitors to consider pop culture's influence on how we will we work, play and communicate in the future.

Visitors during *Rewind to the 80's* also will:

- observe gears in action as they create a work of art on a Spirograph
- compete in an over-sized version of the classic board game, Twister
- challenge their dexterity and their mind as they attempt to solve a Rubik's Cube – then pry it apart to see how it's made (Saturday and Sunday, March 30 and 31)
- meet the characters from the decade's most recognizable sci-fi series, *Star Wars* (Sunday, March 31)

Plus, visitors who purchase a new membership to the science center during *Rewind to the 80's* will receive a free pair of color-changing sunglasses.

All Lucas County residents receive a \$2 discount and FREE Saturday admission for kids, 12 and under with paid adult admission. For more information, please call 419.244.2674 or visit www.imaginationstationtoledo.org.

Imagination Station provides a critical layer of science enrichment by serving as an educational partner for teachers, schools and parents. It's with a thoughtful blend of exhibits, experiences, education and excitement that Imagination Station inspires visitors to pursue STEM careers in Northwest Ohio.

WHAT: **Rewind to the 80's at Imagination Station**

WHEN: **Regular Hours:**
Tuesday – Saturday: 10am – 5pm
Sunday: Noon – 5pm
Monday: Closed
