Imagination Station Holiday Hours

TOLEDO, Ohio – Imagination Station will be closed in observance of the Easter holiday on Sunday, April 21. The science center will be open 10am – 5pm on Earth Day, Monday, April 22.

In recognition of Earth Day, visitors are invited to take part in Imagination Station's *Upcycling Celebration*. Upcycling is the process of converting unwanted or discarded materials into something with a new purpose. Children and adults can help do their part to reduce waste as they create a one-of-a-kind item from a variety of scrap materials.

Imagination Station will also collect unwanted cell phones and tablets for recycling. Visitors who recycle these small electronics will receive free admission to the science center's temporary exhibit *Popnology: From Sci-Fi to Wi-Fi*.
