## Toledo's Science Center Offers Extended Hours and Special Admission Pricing

TOLEDO, Ohio – Explore the Imagination Station and save this Thursday night. The science center's special \$5 After 5pm promotion is back with visitors enjoying special \$5 admission after 5pm. The museum is open until 8pm.

Time is running out to enjoy this special admission offer at Toledo's Science Center. The remaining 2019 dates for the \$5 After 5pm promotion are:

- Thursday, October 17
- Thursday, November 21
- Thursday, December 19

Imagination Station is also a stop on the Art Loop! This month, get spooky with a Haunted Harvest. Not a fan of pumpkin guts? Not much of a painter? Come take a whack at our version of Jack-o'-lantern decorating – we'll supply the hammer. Plus, the Imagination Station team will have a special treat for those who stop by. *Art Loop is presented by the Toledo Arts Commission. Admission to the science center is not required to enjoy Art Loop activities.*

Imagination Station provides a critical layer of science enrichment by serving as an educational partner for teachers, schools and parents. It's with a thoughtful blend of exhibits, experiences, education and excitement that Imagination Station inspires visitors to pursue STEM careers in Northwest Ohio.
