Celebrate Star Wars Day at Imagination Station

TOLEDO, Ohio – May the fourth be with you! The *Star Wars* saga is one of the greatest inspirations for fans of science fiction, and Imagination Station is celebrating this sci-fi phenomenon on Star Wars Day, Saturday, May 4.

Young Jedi and Jedi Masters alike will learn about light saber fencing – a sport growing in popularity that features the iconic weapon from a galaxy far, far away. Representatives from The Saber Legion will present exciting dueling demonstrations at 12:30pm, 2pm and 3:30pm. Those interested in learning more can get a close-up look at the sabers and safety equipment of the sport.

Visitors can experiment with circuits as they build a jitter Jedi and practice storytelling and videography as they direct their own stop-motion saga with *Star Wars* action figures.

Star Wars Day activities are included in science center admission. All Lucas County residents receive a \$2 discount and FREE Saturday admission for kids, 12 and under with paid adult admission, limit two children per adult. For more information, please call 419.244.2674 or visit www.imaginationstationtoledo.org.

Imagination Station provides a critical layer of science enrichment by serving as an educational partner for teachers, schools and parents. It's with a thoughtful blend of exhibits, experiences, education and excitement that Imagination Station inspires visitors to pursue STEM careers in Northwest Ohio.
