Imagination Station's Summer Camps Coming to a Campus near You!

TOLEDO, Ohio – When summer heats up, Imagination Station offers cool science designed to encourage young innovators, engineers and inventors to discover and explore. Kids will experience a week jam-packed with experiments, challenges and projects that will make this a summer to remember!

This summer, the science center will offer off-site camp opportunities at two area universities. **Catapults, Coasters and Cars** is open to kids, ages 6 – 13 will be held on the campus of Bowling Green State University from June 3 – 7 and the University of Findlay from June 10 – 14. Campers will complete design challenges as they build catapults, roller coasters and cars, send rockets soaring and create a protective device for an egg.

Imagination Station also offers the following camps at the science center in downtown Toledo:

micro MOLECULES: ages 6 - 8

- **New! Pirate-ology:** June 10 – 14; June 17 – 21; June 24 – 28
- **Super Splatter Science:** July 8 – 12; July 15 - 19
- **Young MacGyver:** July 22 – 26; July 29 – August 2; August 5 - 9

MACRO molecules: ages 9 -13

- **Inside the Lab:** June 10 – 14; June 17 – 21; June 24 - 28
- **Cardboard Creators:** July 8 -12; July 15 -19
- **New! Super Splatter 2.0:** July 22 – 26; July 29 – August 2; August 5 - 9

micro-MACRO Mashup: ages 6 - 13

- **New! Super Splatter Magnified:** July 1 – 5

Make this a summer of science and learn about our world, meet new friends and have a blast! Each week-long, fun-filled, science-stuffed camp is \$175 for Imagination Station members and \$200 for non-members. Camps fill quickly, so early registration is recommended. Visit imaginationstationtoledo.org or call 419.244.2674 ext. 250 to speak with a Reservation Specialist.

Imagination Station Summer Camps are presented by Jerl Machine, Inc. and supported by BP.

Imagination Station provides a critical layer of science enrichment by serving as an educational partner for teachers, schools and parents. It's with a thoughtful blend of exhibits, experiences, education and excitement that Imagination Station inspires visitors to pursue STEM careers in Northwest Ohio.
