## **Last Weekend for *Summer of Speed* at Imagination Station**

TOLEDO, Ohio – Imagination Station said summer was gonna go fast! Labor Day marks the unofficial end of summer and the final weekend for *Summer of Speed* at Toledo's Science Center.

Race fans will get one more chance to get up close with some super-speedy vehicles from 10am – 5pm on Saturday, August 31. Local racing kart builder, Glen Mazzone will share his expertise on designing, building and racing Shifter Karts and Touch-and-Go Karts.

Racing karts provided the inspiration for the popular Nintendo video game, *Mario Kart* and can travel at speeds up to 130 miles per hour. Visitors will discover the science that make the karts speed so fast, learn about the different types of safety gear that protects drivers and become inspired to become builders, tinkerers and hobbyists.

This is also the last weekend for visitors build LEGO cars, construct vehicle chassis from PVC pipe, race sail cars and test their throwing speed. *All Summer of Speed activities are included in science center admission.*

All Lucas County residents receive a \$2 discount and FREE Saturday admission for kids, 12 and under with paid adult admission, limit two children per adult.

Imagination Station is open 10am – 5pm on Labor Day, Monday, September 2. For more information, please call 419.244.2674 or visit [www.imaginationstationtoledo.org](http://www.imaginationstationtoledo.org).

Imagination Station provides a critical layer of science enrichment by serving as an educational partner for teachers, schools and parents. It's with a thoughtful blend of exhibits, experiences, education and excitement that Imagination Station inspires visitors to pursue STEM careers in Northwest Ohio.
