## Snowmazing Science Continues at Imagination Station with Model Trains, Custom Ornaments, Holiday Cards and More!

TOLEDO, Ohio – Toledo's Science Center is celebrating all the wonder and magic of the holiday season with science activities for the whole family. Snowmazing Science continues this weekend at Imagination Station.

### Now – January 20

#### **Snowmazing Science: Community Art Project**

Help transform Imagination Station into a winter wonderland! Explore physics and learn how to use hand tools to construct a kinetic structure to display. Together we will fill Discovery Hall with a beautiful blizzard of twirling, swirling snow mobiles! *Included in science center admission.*

### Daily in December

#### **IDEA Lab Tinkering Space: Light Up Greeting Cards**

Capture all the magic of the season and send a holiday message that combines a traditional greeting card with twinkling lights. Craft your card, then wire it with copper tape and LED bulbs that make it sparkle and glow. *Included in science center admission.*

### December 19 – 22

#### **Snowmazing Science: Laser Cut Ornaments**

Need a last-minute gift idea? Handmade presents are a gift from the heart! Visitors can get creative with the laser cutter to make and decorate a holiday ornament to give to someone on their list -- or hang on their own tree! *Included in science center admission.*

### Saturday, December 21

2pm

#### **Think Tank Workshop: Gingerbread Construction**

Become an architect and chef as you use engineering, geometry and holiday sweets to construct a gingerbread house, then decorate it with string of festive LED lights. Gingerbread Construction Think Tank Workshops begin at 2pm each Saturday in December. *Registration is required. Workshop pricing – members: \$6 each; non-members: \$8 each. Science center admission must be purchased separately for non-members.*

### Saturday and Sunday, December 21 – 22

#### **Snowmazing Science: Model Train Days**

Model trains and the holidays go together like cookies and milk. Marvel at a model train display decorated with miniature villages, cities and rural areas courtesy of BOO COO Trains. Children and adults alike will enjoy searching for hidden items within the wintry scene. Visitors will also learn the importance of respecting the immense size and power of trains with Operation Lifesaver. *Included in science center admission.*

### December 23 – 25

#### **Imagination Station Closed**

The science center is closed for the Christmas holiday, but will resume regular operating hours at 10am on Thursday, December 26.

Snowmazing Science is presented by Comfort Line FiberFrame.

On Saturdays, all Lucas County residents receive a \$2 discount and FREE admission for kids, 12 and under with paid adult admission, limit two children per adult.

Imagination Station provides a critical layer of science enrichment by serving as an educational partner for teachers, schools and parents. It's with a thoughtful blend of exhibits, experiences, education and excitement that Imagination Station inspires visitors to pursue STEM careers in Northwest Ohio.
