Imagination Station's \$5 After 5pm Offered Throughout 2020

TOLEDO, Ohio – Imagination Station invites the curious, inventive and playful to drop by after school and work to explore the science center. Toledo's Science Center will keep its doors open late on the third Thursday of each month and offer special \$5 admission pricing to all visitors.

The \$5 After 5pm nights offer flexibility and accessibility to the science center for those looking for ways to budget their time and money.

"We know people are busy," said Kate Pixler, communications director. "By keeping our doors open a little longer, families can squeeze in some quality time together or adult science-lovers can swing by for an hour or two after work."
